Skills

I have strong communication and interpersonal skills, supported by a customer-focused attitude and a professional approach to service. I am a quick learner, dependable, and an effective team player who stays organized, detail-oriented, and able to multitask efficiently even under pressure. I am proficient in Microsoft Office and Google Workspace, with experience in basic administrative and clerical tasks. In addition, I am physically capable of assisting with lifting, organizing, and setting up workspaces when needed, ensuring flexibility and reliability in various work environments.
